Adapted by

Daniel Gaynor Nicholas Baker Matthew Lemaich Jordan Smith-Berry Matthew Zelenka

Based on the play "Macbeth" by William Shakespeare.

[Enter MACBETH and BANQUO]

MACBETH

Hey brother!

BANQUO

MacBeth, you've got everything you want now, just like those women said you would. Maybe my boys will become kings too! But, for now, I think it's best if we keep this low-key.

[A trumpet plays. LADY MACBETH enters dressed as a queen, together with EXTRAS: LENNOX, ROSS, LORDS, LADIES]

[MACBETH points at BANQUO]

MACBETH

Here's our most important guest.

LADY MACBETH

If we forget him, our big celebration wouldn't be complete, and that wouldn't be any good!

MACBETH

Hey Banquo, tonight we're having a ceremonial banquet, and I want you to be there.

LADY MACBETH

It'll be at seven o'clock.

BANOUO

Whatever you need, I'll be there.

[LADY MACBETH and EXTRAS disperse]

[MACBETH leads BANQUO outside to his car]

2 SCENE II. ON DRIVEWAY OUTSIDE OF THE HOUSE.

MACBETH

So, are you heading out anywhere this afternoon?

BANOUO

Yeah, I'm gonna go for a drive.

MACBETH

We would've liked to have heard your good advice, which has always been very serious and helpful, at the council today, but we'll have to wait until tomorrow. Are you driving far?

BANQUO

I don't know, with traffic I'll probably get here in time for dinner.

MACBETH

Don't miss it!

BANQUO

Don't worry, I won't.

MACBETH

We hear that the princes, those nasty murderers, are hiding out in England and Ireland. They've been staying under the radar, and they're awfully good at deceiving their hosts. But we can talk more about that tomorrow, when we'll discuss matters of state that concern us both. Hurry up and go get to your car. Good-bye, until you get back later tonight. Is Fleance going with you?

BANQUO

Yep, I think it's time we hit the road.

MACBETH

Well, I hope your car doesn't give you any trouble going all that distance. And with that luck, I send you off. See you later, man.

[BANQUO drives off]

3 SCENE III. THE SAME.

[MACBETH walks around the corner and sees his SERVANT standing guard]

[MACBETH notices a car idling at the foot of the driveway and gestures towards it]

MACBETH

Are those men in that car down there waiting for me?

SERVANT

Yes, sir. They told me they had a meeting scheduled with you, but I didn't see anything on your calendar today. I'm sorry, I just can't get them to go awa-

[MACBETH interrupts SERVANT]

MACBETH

Let me deal with them. Tell them to come up here.

[The SERVANT motions for the men to drive up the driveway]

[SERVANT exits]

[BOTH MURDERERS drive up the driveway, greet MACBETH]

MACBETH

Hey fellas. Wasn't it it yesterday that we spoke to each other?

FIRST MURDERER

Yes, sir, it was.

MACBETH

What do you say we go grab some lunch.

SECOND MURDERER

That sounds good, Mr. MacBeth.

4 SCENE IV. A RESTAURANT.

DDEDERG are gested at a table engaging

[MACBETH and BOTH MURDERERS are seated at a table, engaging in conversation]

MACBETH

So, did you think about what I said? Don't you realize it was Banquo who's always making everything so hard for you, not me? It wasn't me. I had proof. I explained how you were tricked, how you were blocked from success, the things that were used against you, who was working against you, and a lot of other things that would

MACBETH (cont'd) convince even a whackjob or a crazy person to say, "Banquo did it!".

FIRST MURDERER We're only men, Mr. MacBeth.

MACBETH

Yes, I do realize that. You are a human being who identifies as a male. Just like all dogs, whatever breed they might be, are all just dogs at the end of the day. But, some dogs are smart. Some dogs are quite foolish. Some are fast, while others are slow. So, I ask you now, are you a fighter, or are you a looser? If you consider yourself strong men, then I have a plan that will eliminate your enemy, and give you everything you want. Not to mention, you'll get even closer to the power that I now hold. So, what's it gonna be- are you a winner or a loser?

SECOND MURDERER

Mr. MacBeth, I'm so done with this all. I just don't care anymore.

FIRST MURDERER

Same here. Nothing good ever happens to me. None of my friends are genuine people. I have no real family, and even my dog ran away from me. I will do anything, as long as it gives me just a speck of hope that things will get better. And if they don't, and I end up getting myself killed, that's cool by me too.

MACBETH

You both know that Banquo is a terrible person.

BOTH MURDERERS

That's true, sir.

MACBETH

He's my enemy too, and I hate him so much that every minute he's alive it kills me. This is my

kingdom now. I could simply use my power to get rid of him, but that wouldn't work out in the long run. We've got a lot of mutual friends, so I need to appear innocent and mourn Banquo's death. Now, the only way this is gonna happen is if you two would please just help me out and slit his throat.

SECOND MURDERER

I don't know, I'm kind of having second thoughts on this all.

FIRST MURDERER

Yeah, you're right. This plan is too risky. Give me some time to-

[MACBETH interrupts]

MACBETH

There is no time to think about it. It's either now or never. It must be done tonight, away from the house. Always remember that no one can know I'm behind this all. For the plan to work perfectly, you two need to kill both Banquo and his son, Fleance, who keeps him company. Getting rid of Fleance is as important to me as knocking off Banquo. Each of you should make up your own mind about whether you're going to do this. I'll come to you soon.

FIRST MURDERER

You know what, screw it. I'm in.

SECOND MURDERER

Me too.

MACBETH

That's the attitude I like. I will call you guys soon. Remember: lay low, and make sure that under no circumstances does someone find out I'm behind this.

[BOTH MURDERERS nod their heads implying that they understand the orders]

[BOTH MURDERERS exit]

MACBETH

The deal is closed, Banquo. If that perfect soul of yours is gonna make it to Heaven, tonight's the night.

[MACBETH exits]
